

# **ABSTRACT**

## **TITLE:**

"Trend of headscarf in young girls"

## **OBJECTIVES:**

1. To study whether the girls are using headscarf as fashion or for any other reason.
2. To know the source of inspiration that they adopted for it.

## **METHODOLOGY:**

For this study a survey was arranged in R.L.A.K Govt. College of home economics. The data was collected from the girls B.Sc part (I and II). Sample size of this study was the total girls of B.Sc part (I and II) who wore headscarf. The data was collected from each section of B.Sc part (I & II) from the girls who were present. There were 124 girls out of 526 who wore headscarf. The questionnaire was used to collect the data from the participants. The data was completed in nearly two week.

## **RESULT:**

The result of the study showed that 85.5% girls were taking headscarf due to the reason of religion. 52.4% said that there source of inspiration for adopting headscarf was their families as their mother and sister inspired them.
